Foreword

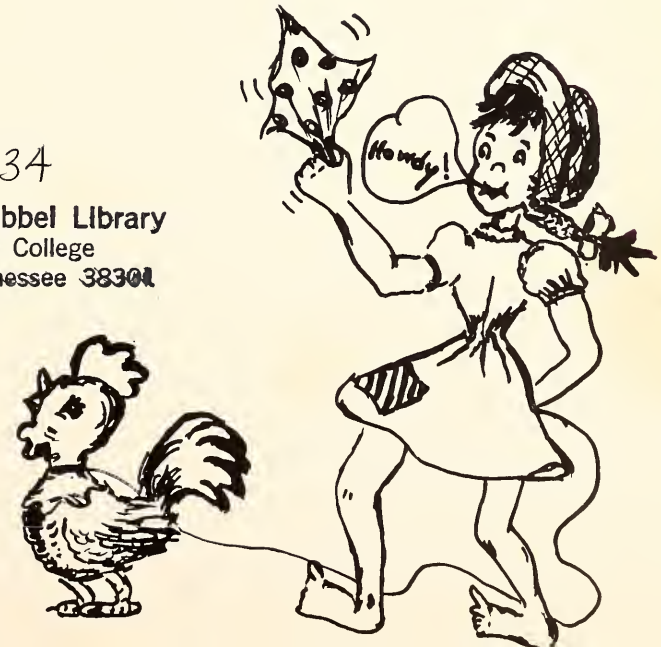

The inspiration for Lambuth and the LANTERN came of that of which dreams are made. The two combined a dream to carry on the work that others have started, who twenty-six years ago transformed a grim college into a bower of green verdure to which the students came to make the college famed - - -

But the inspiration is of little value if it is not carried into realization, and we were fortunate to enlist the deep interest and sympathetic cooperation of the student body for what they may see in this book - - -

And, incidentally, it gave us a wonderful opportunity to follow and carry out the injunction of our former staff. We hope you will receive as much pleasure looking through the 1950 LANTERN as we, the staff, have enjoyed preparing it.

Dedication -

By his genial personality, he has endeared himself in the heart of us all. He has established himself as a symbol of the things for which Lambuth stands and proved himself a sincere friend to each of the students.

Through his profound love for music, his contribution toward its growth and appreciation on the campus is unsurpassed.

To a gentleman of the highest type, we the Lantern Staff of 1950, affectionately dedicate this volume to PROFESSOR BARNEY M. THOMPSON.

Our President

RICHARD E. WOMACK
B.A., M.A., LL.D.

Institutions of learning, like individuals, should always feel a sort of divine discontent; they should never rest on past achievements, nor be content to be mediocre.

The progress of Lambuth College through the years has been gratifying to us all. It has increased greatly in its physical assets. Its teaching staff has been strengthened. Its influence has extended far beyond the bounds of its supporting conference.

But we are not satisfied. No matter how good Lambuth is, it can be better. And you and I can make it better. During this year we have all worked together. But let us not be satisfied with what we have done. The future holds great things in store for Lambuth and for us. Like the Apostle Paul, let us "press on toward the goal."

RICHARD E. WOMACK

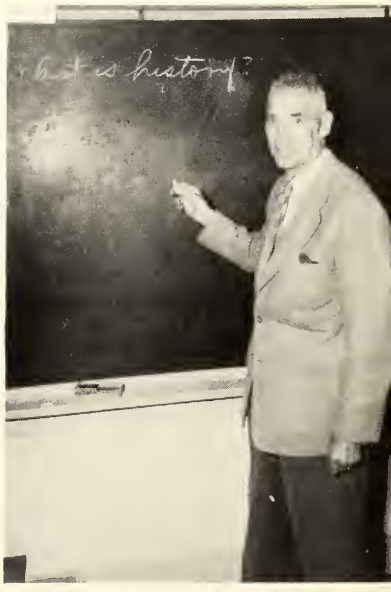

B. A. Short
Vice-President

Mr. Short possesses a quick and ready knowledge of all his duties as Vice-President. Through his admirable personality and ability to carry out the business affairs of the college, he has gained the confidence of the Administration and students. We feel that the college made a significant step in its selection of Mr. Short to fill the newly created office of Vice-President.

Miss Helen Womack
Registrar

Miss Helen Womack has won the admiration of all the students on the campus through her cheerfulness, patience, and understanding. During her years at Lambuth she has proved herself not only a representative of the administration, but an enthusiastic participant in all student activities. Never too busy to help the students with kind and helpful guidance, she has been an inspiration to many. We feel that Miss Womack represents the true Lambuth spirit and is an invaluable asset to the College.

Marvin Eagle
Dean

As a historian, philosopher, sportsman, Dean Eagle has constantly shown his vitality, interest and kindness toward others. Always ready to help students with their problems, Dean Eagle has not only been a great teacher, but a real friend to all those who have come and gone since the founding of the College.

Seniors

The Senior class of 1950 is the largest graduating class in the history of Lambuth. Most of the class's seventy-five members have done their entire four years work in Lambuth. It is with deepest feelings and kindest thought of the Alma Mater that these Seniors leave the halls of Lambuth with their lives dedicated to service. Wherever they go, whatever they do, we are sure that the ideals of life imparted to them will remain ever with them and always hold high the name of our institution.

Juniors

The Junior is ambitious, bold and magnetic. He is an example to newcomers, dependable, and always ready to help where there is work to be done. This year he is at the crossroads of life and like the Mountaineer, he is ever striving upward until his ambition for a sheep-skin has been fulfilled.

Sophomores

The Sophomore Class, with memories not-too-distant of the pangs of last year, was wide awake to initiate beginners into the real feeling of being just a "Frosh". On the second step of their way up the ladder, the Sophomores have combined work and fun to become one of the most essential groups on the campus.

Freshmen

The usual traditional blue and white caps of the Frosh bespeckled the campus this year, but there were so many of them that the upper-classmen had a hard time distinguishing which name belonged to which Freshman. Through their goodnaturedness and hardy constitutions the Frosh were able to survive the usual amount of initiation and hazing. Immediately they were off to a good start in beginning their college life by showing of so much scholarship. leadership, and interest in all Student Body Activities.

Student Govt.

President
WINSTON WILLIAMS

Lambuth may look this year upon the achievements of its Student Government with a glow of pride, for President WINSTON WILLIAMS has led us through a most successful year. He has set a precedent as President of the Student Body because of his unequalled efficiency at gaining whole-hearted cooperation with the Administration and living up to the Lambuth idea and loyalties. Almost perfect response on Homecoming Day was one of the greatest single achievements of the WILLIAMS-MAY Administration. But perhaps the greatest was the establishment and maintenance of school spirit on a high plane.

Vice-President
JACK MAY

Vice-President JACK MAY has proved an able co-worker and his guidance and efficiency as a student body official helped to make this year's administration the success that is proved by looking back over the year. He presided ably over a cooperative student council. The revision of the constitution and the establishment of a new point system were the most outstanding and constructive pieces of legislation. Vice-President JACK MAY has carved for himself and for us, a place in the annals of our College.

Bill Evans, Nell Evans, Bill Yandell, Marjorie Garrett, Rosalyn Heaberg.

Judicial Committee

The Judicial Committee is the Supreme Court of the Lambuth College Student Body presided over by Bill Yandell as Chief Justice. This body interprets laws, holds elections, and hears cases regarding breach of student regulations. A large share of the success of any school year is due to the sincere efforts of the Judicial Committee.

Student Council

Our Student Council, composed of four representatives from each Class and guided by Vice - President May, has proved its loyalty and leadership in performing the many duties entrusted to them. As the Congress of the Lambuth College Student Body, it makes decisions concerning the policies and actions of the Student Body.

1st Row: Mary Helen Davis, Laura Frances Ray, Carolyn Pearigen, Lou Yancy, Alystine DeShazo, Norma Jean Beacham; *2nd Row:* Bryant Floyd, Jack May, Bill Lucas, Hugh Vaughn, Joe Raper, Adrian McClaren Reggie Smith.

All College Social Committee

The All-College Social Committee is composed of a group of students who work with members of the faculty in planning the All-College socials. They also draw up the social calendar which gives all organizations an equal opportunity for their activities. Under the capable leadership of John L. Bond as chairman, the committee has sponsored many enjoyable and successful socials this year.

Reggie Smith, Ann Rooks, John L. Bond, Becky Hood, Loyal Hartman.

BOYS' DORMITORY COUNCIL

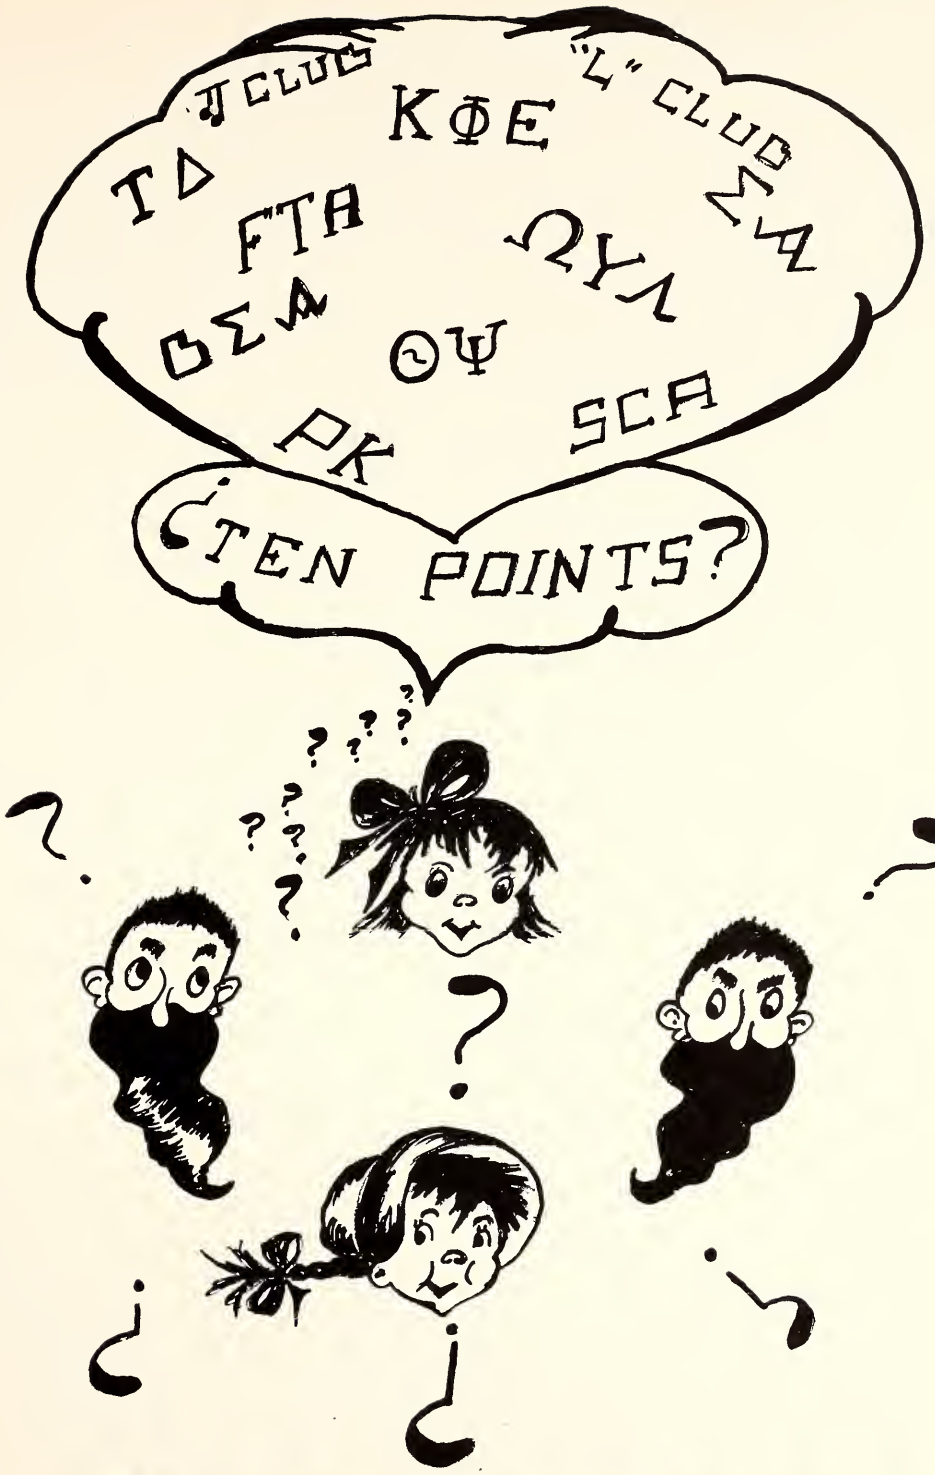

Wilson, Barnes, Mrs. Hampton, Evans, Webber

The Dormitory Councils are representative students elected by the members of the dormitories each year to be their governing bodies. They make all the rules by which the students are to abide, take care of all the delinquents, and try to keep the dormitory families happy and contented.

GIRLS' DORMITORY COUNCIL

DeShazo, Steadman, Pearigen, Morris, Miss Thompson, Durham, Davis.

Organizations

S. C. A.

The Student Christian Association is a non-denominational organization which directs and coordinates all religious activities on the Campus. The organization under the guidance of Mr. Whetstone has been successful in helping the entire student body to attain higher religious ideals. This year we think that the S. C. A. has done a commendable piece of work and has left a solid foundation for the coming years.

Lantern Staff

The Editor-in-Chief, Bryant Floyd, and Associate Editor, Mary Emma Steadman, were greatly assisted by their cooperative staffs this year in the preparation of your Lantern. It's a lot of fun, this working on an annual staff, but a great amount of hard work. Just ask anyone who visited the Lantern room long enough to get entangled in one of the many tasks to be performed. We cut copy, mounted pictures and debated continually about any and everything.

If this Lantern brings pleasant memories to you this year and in the years to come, it will have accomplished its main purpose.

Vision

The Vision, a student publication, has made real progress this year. Editors Ken Berryhill and Barney Malloy have added several new features, including the addition of two more pages, and the placing of production on a regular semi-monthly basis. In its presenting the various political questions on the campus in an unbiased manner, it has brought to light both sides of all issues and become one of the main cogs in the wheel of student government.
